

matrix_module::solve
_cholesky

```
graph LR; A["matrix_module::solve_cholesky"] --> B["matrix_module::cholesky"]
```

A diagram showing a dependency between two code elements. On the left, a gray rectangular box contains the text 'matrix_module::solve_cholesky'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'matrix_module::cholesky'. Both boxes have a black border.
