

matrix\_module::solve  
\_spd\_cholesky

```
graph LR; A["matrix_module::solve_spd_cholesky"] --> B["matrix_module::cholesky"]
```

A diagram showing a dependency between two code elements. On the left, a gray rectangular box contains the text "matrix\_module::solve\_spd\_cholesky". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "matrix\_module::cholesky". Both boxes have a black border.

matrix\_module::cholesky
